

Climate Emergency Mobilization Task Force **Application Packet Instructions**

Thank you for your interest in serving on the Sacramento County Climate Emergency Mobilization Task Force. We welcome your application and commitment to climate action in Sacramento County.

We invite anyone who supports the County's goal of carbon neutrality by 2030 and who has a commitment to collaboration, equity, and partnerships in advancing public policy to apply. Task Force members will be provided compensation of \$70 per meeting and must complete ethics training and file annual financial disclosures related to conflict of interest.

There are three application pathways: one for people with technical, academic or scientific expertise in the areas of air quality, built environment, economics, energy, and agriculture; one for Environmental Justice leaders; and one for youth ages 16-23 (one seat). Residency in Sacramento County is not required; however, Environmental Justice leaders should serve communities in Sacramento County and youth should attend school in Sacramento County.

In addition to filling out the appropriate application, please submit a statement of 350 words or less and attach it to the application. The purpose of this statement is to reflect the applicant's experience related to climate change and building consensus around complex issues.

Interested applicants should submit a completed application and supplemental statement no later than June 28, 2024 to the contact listed below. Mailed or electronic submissions are permitted. Questions or requests for assistance or alternative formats should also be directed to the contact below.
